Hi Jacolise

I don't know if it was necessary to do this, but I have written a summary of [redacted] comments (using your notes). I thought that you might want to eventually use them in the final report as I think they may be quite relevant comments?

Kind regards

Christine Bothma

Christine, thank you so much.

We will definitely be using her feedback in consolidated fashion with the rest of respondents. I appreciate your initiative, and admire the fact that you could decipher my 'Doctor'-like handwriting ;-)

Regards

Jacolize
